**Saturday 15 August** marks the opening of **Relic**, the brand new immersive escape room adventure at Tulleys Escape Rooms, taking guests on an unforgettable expedition into the legendary Temple of Agra.

Hidden deep beneath an ancient temple lies the shattered Golden Relic, a priceless artefact protected for centuries. But something has gone terribly wrong. The relic has been broken into four pieces, its secrets disturbed and the explorer responsible has mysteriously vanished.

Now it's your turn.

As a team of explorers, guests will venture through hidden chambers, uncover forgotten clues and solve ingenious puzzles as they search for the missing fragments of the Golden Relic. Every discovery brings them closer to the truth, but time is running out. Recover the relic, uncover the mystery and escape before the temple seals itself forever.

Designed with cinematic scenery, immersive storytelling and intricate puzzles, **Relic** is the sixth adventure at Tulleys Escape Rooms, joining the multi-award-winning collection that includes **Mutiny, The Outfitters, SpellCraft, Dodge City** and **Nethercott Manor**.

Consistently recognised as one of the world's leading escape room destinations, Tulleys Escape Rooms has been ranked **No. 2 in the world on Tripadvisor**, welcoming visitors from across the UK and beyond to experience its unique blend of immersive storytelling, spectacular sets and unforgettable adventures.
